Report for the Year 1917.

THE Council have to report that at and since the Annual General Meeting, held on the 2nd day of June, 1917, one new Subscriber has joined the Society (both sections), four Subscribers have died and one Subscriber has resigned.

The number on the Roll on the 31st of December is two hundred and fifty-eight, of whom one hundred and sixty-eight are Subscribers to the Register Section.

A second Volume of "Grantees of Arms," Part II, K to Z, between the years 1687 and 1898, compiled by JOSEPH FOSTER, Hon. M.A., Oxon, Brit. Mus. Add. MS. 37,149, edited by W. H. RYLANDS, Esq., F.S.A., Vice-Chairman of the Council, forming the sixty-eighth volume of the Ordinary Publications, has been issued to the Subscribers for 1917.

The Council regret that shortage of labour and difficulties arising from the War have again caused some delay in the usual punctual issue of the Society's Volumes.

Part I of Allegations for Marriage Licences in the Archdeaconry of Sudbury, Suffolk, for the period 1684 to 1754, to be edited by the SECRETARY, from a transcript presented to the Society by FREDERICK A. CRISP, Esq., F.S.A., a Member of the Council, will be issued to the Subscribers for 1918.

Part II, containing the Allegations from 1755, with indexes to both parts, is in the press.

Part I of the Marriage Registers of St. Mary le Bone, Middlesex, 1668—1754, and Oxford Chapel, Vere Street, Marylebone, 1736—1754, edited by the SECRETARY, forming the forty-seventh volume of the Register Section, has been issued to the Subscribers for 1917.

Part II of the Marriage Registers of St. Mary le Bone, Middlesex, from 1754, edited by the SECRETARY, is in the press and will be issued to the Subscribers for 1918.
